9 January 1984

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Walter Elder  
Executive Secretary, NFIB

SUBJECT: Proposed Agenda for 17 January 1984 NFIB (Board)  
Meeting

1. I request approval to schedule a Board meeting with the following agenda as proposed by the Vice Chairman, NIC:

1) Impact of the Military Balance of Power in Lebanon  
(Update of SNIE 11/35-36-83);

2) Soviet New BCW Agent Development (SNIE 11/17-84);

3) Prospects for the Philippines (SNIE 56-2-84);

4) Pakistan: The Next Years (Memorandum to Holders)  
(SNIE 32-82);

6) Angola: Near-Term Prospects (SNIE 71-84).

2. It is not clear to me that all these items will be ready in time for the 17 January 1984 meeting or that all can be considered at one time. They are, therefore, listed in a descending order of priority.

3. I would propose issuing a tentative agenda listing the first three items and then await further developments.
